IN MEMORIAM

Again we pause to pay tribute to our members deceased since our last meeting. To them we would dedicate the verse, "The Aim of Life" by Phillip James Bailey.

"We live in deeds, not years; in thoughts, not breaths;  
In feelings, not in figures on a dial.  
We should count time by heart throbs. He most lives,  
Who thinks most, feels the noblest, acts the best.  
And he whose heart beats quickest lives the longest.  
Lives in one hour more than in years do some  
Whose fat blood sleeps as it slips along their veins.  
Life is but a means unto an end; that end,  
Beginning, mean and end of all things, - God!  
The dead have all the glory of the world."

Our known deceased members are:

ETHEL SUTTON FENN (class of 1898)	December 27, 1971
ANNA FAIRBANKS UPSON (class of 1909)	February 27, 1972
LEONE CARTER HEINTZ (class of 1913)	July 19, 1971
FLORENCE RIPIEY WOLCOTT (class of 1914)	May 31, 1972
RUTH MILER WILSON (class of 1916)	December 11, 1971
WALTER OIESKY (class of 1938)	December 31, 1971
MARGARET STIENBAUER SNOW (class of 1939)	July 15, 1971
WILLIAM F. SCHOPPER (class of 1947)	March 8, 1972
GARY T. CHAPPELEAR (class of 1960)	September 28, 1971

In humble reverence to their memory we can only echo the line from Mr. Bailey's verse--"The dead have all the glory of the world."

as given by--F. Ellsworth Lawrence

CORRESPONDENCE.....

8252 Hazeltine Avenue  
Van Nuys, California 91402

It is always good to receive the notice of the next meeting of the association with the report of the proceedings of the meeting of the preceeding year. Very interesting was your reference to the use of Appleton's Fifth Reader some ninety years ago and the use of selections from the Bible.

In my library I have the Appleton's series of readers from the first to the fifth, used in the years 1888 to 1893. Teachers were Minnie Wolf, Hattie Baldwin, Bessie Baldwin, Anna Tait, Fannie Bierce and Mabel Marsh. This was back in the days before God was banished from the public schools. We sang Gospel hymns and had Bible readings. I recall that once we committed the 19th Psalm.

Appleton's Fourth Reader contains the entire Fifth and Sixth Chapters of Matthew, The Sermon on the Mount, and verses 14 to 30 from the 25th Chapter of Matthew, the Parable of the Talents.

The report received is most excellent for which the secretary deserves the highest commendation. My graduation in 1899 was so far away that in the list of members in attendance at the last meeting there are very few familiar surnames.

The mention of the passing of Grace Webb Burrell stirs memories of her graduation in 1891 when I was in the fourth grade. Her brother, William M. Webb, became principal. During High School days I bought from him the Caesar he had used, containing his signature.

CORRESPONDENCE continued.....

It is cheering to observe the present graduating classes in the hundreds. The Alumni Association will need to enroll many of them as members to insure its perpetuation.

Sincerest regards to the officers and members and kindest wishes for the continued success of the association. Here is a dollar for the dues.

Ferris R. Miller, class of 1899

My daughter, Anita Tassinari, and I have decided to drive up to Tallmadge for the High School Alumni dinner on June 10. I'll enclose a check for \$5.50 for that and also a check for \$.00 for the dues. Your very complete and interesting report merits more than a dollar dues.

Are there any places to stay for a few days which are reasonable? Maybe there is a private home nearby with twin beds? Geneva Wright Atwood might know of a suitable place. I used to know Geneva as a little girl. She was about my sister Emma's age.

I want to see Mr. Hillegas too while there as his Funeral Home is now in my grandfather's home where we Oltmans lived while I was in high school. It was Mother's home before she married and she inherited it.

I'll be glad to hear from you soon as June 10th is not far off.

Jean Oltman Mitchell, class of 1908

St. Cloud, Florida 32769

I may be able to come to Alumni, but uncertain, will mail my dues now.

It is such a pleasure to read the letters in the Report from old Grads and do hope George Wright will sometime make the trip.

You youngsters have seen Tallmadge with all its changes. We oldsters remember it only as a quiet church village with young lovers under the elms.

Thank you so much for the two copies of the annual report. The \$5.00 is for my dues and any other way you need it.

It is certainly great that we have a Mrs. America, Frances, willing to spend time on this annual event.

Carl Hageman, class of 1932

565 South Main St.  
Jacksonville, Florida 32207

Thank you for remembering me at this particular time of the year when we all would love to get together and reminisce. Forgive me for jotting this letter off to you on company stationary, but I find that this will probably be the only time I will have to get this off to you, so that you will have it by this Saturday.

I would love to be there in person for the evening you have planned. I am sure it will be very enjoyable, and I will be with you in thought, you can be sure.

I am very well and happy at this stage of my life. At the wonderful age of 49, (I feel 29), I am enjoying the two daughters I have living at home with me, Vicki, age 19 and Valerie, age 16. My mother lives with us, as I obtained a divorce almost nine years ago, and we four females love living in the wonderful state of Florida.

I work for the above hotel (Jacksonville Hilton) as Sales Secretary. This is fascinating work, and there is never a dull moment. Anyone of importance that might be staying overnight in Jacksonville is almost certain to be registered at the Hilton. A few weeks ago Senny and Cher were with us. Also, Johnny Cash and Elvis Presley. We received complimentary tickets to the performances and just loved having them in the building. Not everyone enjoys their work, but I surely do.

I think about my friends in Tallmadge very often. Howard Atwood, Alberta Crossen, Irene Williams, Robert Ripley, Annanell Willgohs, Phyllis Youngen. I realize their names have changed, but at the moment I cannot recall them. I have wonderful memories of my years spent in Tallmadge. I have been back to Ohio and Tallmadge only once since I moved away, and at that time I was with Alberta, Howard and his wife, and Annanell. We had a marvelous time just chatting about our lives.

Thank you again for the card you mailed to me. Have fun, and think of me.

Another year to miss the T.H.S. reunion! How many have I made? Two?

Please give my regards to any old timers that get there and uphold the honor of that little class of '42. Did you say 30 years? At least some of us from the two coasts made it for our 25th, five years ago. If Bob Powers comes this year be sure he makes a speech.

My Dad will surely be there in good shape to represent the hardly old old timers.

Right now I am spending my days and nights settling in a new house in a new community and building a new company manufacturing camping tents.

If I remember to enclose a dollar, please send me a copy of your minutes. Many thanks.

Thank you for the wonderful report of the 1971 Annual Alumni meeting. We will not be attending again this year--but will look forward to your report. Enclosed is our dues and we send congratulations to the 1972 graduates--and best wishes to all for a successful meeting on June 10.

Bob and Jean (Miller) Powers,  
class of 1942.

6022 Ambassador Drive  
Orlando, Florida 32808

For several years now I have been looking forward to the 25th Alumni meeting of our graduating class of 1947, but it falls at a very unopportune time as the date chosen also happens to be the date of our daughter's graduation from high school here in Florida.

I wish to express my appreciation for the invitation received and look forward to making one of the latter meetings.

I know that I have wondered many times in past as to the whereabouts of my fellow classmates and what they are doing so maybe they have done the same, so I'm sending along this information not knowing whether you can use it or not.

I work at Martin Marietta Corp., Orlando, Florida. I have been here going on fourteen years now. I work in the Analog-Digital Hybrid Computer Laboratories as an electrical engineer. My wife (Dorothy) is a graduate of South High School in Akron. We have one daughter, Kathryn, 17 years old. Two sons, Darrell, 16 years old, and Richard, 11 years old.

I wish at this time to say thanks again and to say hello to everyone and wish them well in the years to come.

We enjoyed reading last year's Alumni Report--an excellent job. Enclosed please find our alumni dues.

Had hoped to get to this years banquet, but we've got youngest daughter's graduation on the 9th. Mel was really looking forward to this 25th year reunion. He'll be there in spirit.

Congratulations on such a fine Annual Alumni Association report. Reading it is next best to being there. I regret that the familiar names get fewer each year. But that is the consequence of the passage of time. Keep up the good work. Dues are enclosed.
